

RAD 650 / 55 R 26.5 ALL. 380 HD
178 D , TL, 10/281/335, ET -50
20.00X26.5 ,TREADLINE

Product-No.: 59915972

Technical Information:

Product number	59915972
Wheel size	650 / 55 R 26.5
LI / PR	178 D
Tread	380 Industrial HD
Manufacturer	Alliance
Connection	10/281/335
Bolt hole execution	A3
ET	-50

Hints and features:

- Flotation radial tyre for off-road transport applications, suitable for manure spreaders, field sprayers, articulated dumpers and agricultural trailers.
- Very good self-cleaning due to wide tread pattern spaces.
- The tyre provides all soil protection and flotation tyre properties for use in the field.
- Its special non-directional tread pattern enables excellent self-cleaning, uniform traction in the field and good ride comfort on short road trips.
- Its unique high-speed steel belted construction and its special rubber compound allow speeds up to 65 km/h when used on the road.
- HD-version with 3 steel belt plies, 5 nylon plies and reinforced bead for higher load capacity and durability compared with the standard tyre range.
